

NOTICE TO THE CUSTOMERS OF
ALPENA POWER COMPANY
OF A GENERAL RATE INCREASE

On December 22, 2021, the Michigan Public Service Commission approved Alpena Power Company's June 18, 2021 application for a general rate increase. Overall, this rate increase is projected to improve Alpena Power Company's revenues by 3.61%.

The average rate increase for all classes of customers is 3.61%; however, various rate classes are impacted differently. For a typical Alpena Power residential customer using 543 kWh per month, the increase is 5.40% resulting in an impact of approximately \$ 4.33 per month.

Alpena Power's small business customers will see a rate increase of 3.37% on average, and larger business customers will experience an average 2.71% increase. Industrial customers will see an average increase of 5.03%

Additionally, Alpena Power will be implementing several new rates including, Residential and Commercial Plug-In Electric Vehicles Rates, Efficient Electric Heating Rates, Distributed Generation Rates and a Low-Income Assistance Service Provision.

The new rates will go into effect on January 1, 2022 and are available for inspection at Alpena Power Company's office located at 401 N. Ninth Avenue, Alpena, Michigan 49707, during its regular business hours of 9:00a.m. to 4:00 p.m., Monday through Friday and they are also available on the company's website at www.alpenapower.com.

Alpena Power Company last increased its rates on January 1, 2018.
